2018 Altamura Cabernet Sauvignon

96+

“The 2018 Altamura Cabernet Sauvignon is 100% Cabernet Sauvignon and is deep garnet-purple in color. It slowly unfurls to reveal intense scents of blackcurrant cordial, blackberry preserves, and dried lavender, plus suggestions of crushed rocks and black olives. Full-bodied, the palate delivers vibrant, lively black fruit and mineral layers, supported by velvety tannins, finishing long and fragrant. Really different.”
