## 2007 ALTAMURA NAPA VALLEY SAUVIGNON BLANC

Vintner Frank Altamura makes outstanding Sauvignon Blanc at his ranch in the remote Napa region of Wooden Valley, turning out one of the state's top-scoring 2007s.

*Opulent and very expressive, delivering a very smooth, rich texture and flavors that just explode with ripeness. Lemon bar, orange marmalade, lemon verbena and juicy pineapple join fragrant hints of smoke, mineral and honeycomb. Despite the richness, a juicy acidity keeps the flavors bright and lively.*
